RESPONSE

It was established in prosecution that
the priority claim under 371 was improper. In the Examiner's
amendment of 11/7/03, the specification is amended to
properly state that the application is a continuation
of KI/DE99/03343. As priority is claimed under
120 (see Notice of Allowability), no 903 is required.
A corrected BIB sheet has been sent to
